

## Hail Suppression Question Still Holds The Spotlight

Editor, The Pioneer,  
Dear Sir:-

I had hoped that this letter would not be necessary but it seems that Mr. Shantz can't be stopped with anything short of an atomic bomb. Pardon me, I forgot, there's no such thing as an atomic bomb. It hasn't been invented because someone said it wouldn't work.

Up till now Mr. Shantz has presented to us a vast amount of so-called scientific data on rain, hail, nuclei and blood-letting, made up mostly of half truths and quarter truths. He has continually twisted the statements of his opponents in an effort to discredit and ridicule them.

But now he comes out with a downright lie; he states that 75 percent of the voters were against hail suppression. The final count was 375 for, and 558 against. Does he think that those who didn't vote were against. Far from it. Everyone knows that all those against, who could possibly make it come to cast their ballot, for obvious reasons, whereas, many who were for it did not bother to come as they were sure it would go over with the required majority. And that is not my opinion, even the anti group admit that.

Mr. Shantz, when I asked for new sources of information I had hoped they would not come via your pen. Nevertheless you pulled a boner there. Mr. Thompson's statements are neither pro nor con hail suppression. They are a carefully worded, non-committal answer made by a man who is in no position to go out on a limb. What you need is an interpreter. By the way how did he get to be Canada's top meteorologist with you around. You must be slipping.

To cap it all off, you have the unmitigated gall to call me an egotist. For once you are probably right, but after all, Mr. Shantz, isn't it a lot like the elephant saying to the tapir, "My what a long nose you have."

Well, let us hope this is an end of it, but I doubt it. Mr. Shantz is much too keen on having the last word to stop now. For me it is possibly the last letter on this subject for this season.

If your dribbling pen must go on Mr. Shantz, why not confine it to writing a super science fiction novel, something like "The Halls Came" or maybe a mystery - "I was an Anti-Suppressionist for the F.B.I." You couldn't miss!

Whatever you do, Mr. Shantz, please no more lies.

Sincerely yours,  
CYRIL BROOKE

Editor, The Pioneer,  
Dear Sir:-

The executive of the Mountain View Hail Suppression Association would like to comment briefly regarding the hail suppression issue.

The association has no quarrel with the views taken by Mr. Morosch and Mr. Shantz, as everyone is entitled to his own views. However, if all farmers were as fortunate as Mr. Shantz, being able to be a farmer and teach school as a sideline, as a result have a nice fat income every month for insurance against hail, actually no farmer would need hail suppression under these conditions. Mr. Shantz's position reminds us of the old saying (little boys who live in glass houses should not throw stones).

The following information could be given at this time: A delegation of five members of Alberta Hail Suppression Association met with Dr. Andrew Thompson, head of the Dominion Meteorological Division in Edmonton last summer in a lengthy interview. In this interview, Dr. Thompson admitted that he had never seen a hail storm. The only source of information available to him is from the hail insurance companies which is very little value in this district due to the fact that very few insure on account of the high insurance rate.

It should be known too, that the Alberta provincial government saw fit to send the Hon. Mr. Halmrast, minister of agriculture to areas in the United States where hail suppression has been in operation for several years, in order to check on success there. After this trip Mr. Halmrast stated publicly that he was impressed by the operation of the company and if he were farming in this high hail incidence area, he would support the project.

Quotes pro and con are numerous, but we will never know if hail suppression is of value unless we find out for ourselves.

We feel sure that a hail suppression programme will soon be carried on again in the Municipal District of Mountain View.

(Signed)  
Executive of Mountain View Hail Suppression Association Ltd.

## MOUNTAIN VIEW

(From Our Own Correspondent)

Dubert Kelleys of the R.C.A.P. at Winnipeg is home on two weeks leave, following his graduation as an observer and receiving his commission. He is visiting at the home of his parents Mr. and Mrs. Stanley Kelley.

Mrs. John Davis, Mrs. MacKinnon, Mrs. Ira Roberts, Mrs. Nancy Freeman and Mr. and Mrs. Doug Gooding motored to Calgary last Wednesday evening to attend a chowder for Miss Nellie Sullivan, bride-elect of this month.

Mrs. John Snyder and Mrs. Charles Snyder motored to Calgary on Friday.

Mr. and Mrs. Alton Snyder and Melvin spent the weekend at the home of Mr. and Mrs. John Snyder.

Mr. Albert Hess of Calgary visited at the home of Mr. and Mrs. Harold Shultz on Sunday.

Little Doreen Shultz, daughter of Mr. and Mrs. Harold Shultz, is a tonsillitis patient in Didsbury Hospital.

## Here Are The Champs . . .

Pictured above is the Chukewagon team from the No. 1 Didsbury Cub Pack, with the Tip Top Talons Trophy, emblematic of the Cub Chukewagon Championship at the Red Deer Boy Scout Ice Stampede. From left to right, we have in the front row: Garry Slipp, Ricky Lissell, Russell Gilbride, Ricky Roberts and Gordon Leeson. The second row includes Dale Kennedy, Lynn Janzen, George Anderson, Jack Miller, Lynn Kennedy and Brian Luft. Standing at the back you can spot Trev Morgan, one of the coaches. Mrs. G. Mullen, Akila

of the Pack, Fred Rodway, co-manager of the team, was not able to be present when this picture was taken. The same Cubs also made fine showings in other tournaments. (Photo by Wiggins)

A red line under your name means your subscription is overdue.

A blue line means your subscription is coming due next month.

Please pay out of town subscriptions by money order.

## ZELLA NEWS NOTES

(From Our Own Correspondent)

This has been hospital week for several Zella residents: Mrs. Jim Johnston has been a patient in the Didsbury hospital; little Danny Hansen was taken to Didsbury hospital on Friday, suffering with pneumonia; the friends of Mr. A. Oppen will be glad to hear he successfully underwent surgery at the Oids hospital and returned home last Monday; Rita Christensen returned home recently following an appendectomy at the Oids hospital.

There were no church services at Zella on Sunday. The Zella congregation were guests at the Moravian church, where Professor L. Vogan of St. Stephen's College, Edmonton, was guest speaker on the occasion of the 20th anniversary of the Moravian church. Between the morning and afternoon services lunch was supplied by the ladies in the church basement.

Mr. Jack Rindal of Red Deer is a guest at the home of Mr. and Mrs. Henry Luft for a few days.

Mr. and Mrs. Joe Rindal and family, of Oids, were Sunday dinner guests at the home of Mr. and Mrs. Bill Essins.

You are invited to attend the special Mother's Day service at Zella on Sunday at 10 p.m. Rev. T. Anderson will be in charge.

## Local Civil Defence Group Were In Action Saturday

The information contained in the following article comes from one who is extremely interested in Civil Defence, as we all should be. This contributed article, we believe, is worthy of close inspection by anyone who is interested in the safety and welfare of our country.

— THE EDITOR

Last Saturday I was one of the pitifully few citizens who took the trouble to drop in on the local Civil Defence Exercise Co-operation 11. What I saw amazed me.

Descending to the basement of the Municipal Office building, I was literally overwhelmed by a blaze of bright lights, wall maps, diagrams, great quantities of paper, and busy people working over typewriters, answering telephones, logging charts and wall maps.

This was Exercise Co-operation 11, a civil defence practice alert controlled from Ottawa, and designed to test Canada's civil defence, and this was the Municipal District of Mountain View's Civil Defence Organization actually at work.

Reeve Barnall, who also doubles as director of civil defence, introduced me to the various members of his control room staff and explained their various duties and functions. I met Controller Herman Roeder, who acts as deputy director; Walter Snyder, who has a dual job of controller and chief of the radiation monitoring section. He is assisted by Leon Robertson. Mr. T. Himmelfrich of Carstairs, who heads up the reserve services; Miss Donna Maynes, a Cremona school teacher, is chief of the welfare services. She is ably assisted

by Mrs. Anna Wilson, her deputy, and Mrs. Viola Bushert.

Our own Dr. Paul, is chief of medical services; while the nursing services are handled by ex-Army Nursing Sister Alice Bird and Mrs. Lea Watt.

Mr. Gilbert Graham, who during the war served with the Canadian Army Provost Corps, is in charge of the municipal security forces. Mr. Jack Riddoch, the municipal secretary, handled the directing staff duties and made sure that the problems of the exercise were carried out according to the book. Mr. A. Eaton, with his short-wave radio hook-up, supplied the communications, assisted by Mr. Charlie Bennett. Mr. Wilfred Jopp, of the Oids civil defence, handled messages, logging and distribution.

This was strictly a volunteer effort on the part of some of the Mountain View's interested citizens. All of them have taken courses at Edmonton and Amnrior, Ontario, and for a solid 24 hours they went through the motion of handling some 11,000 evacuees, with all its attendant difficulties, organized the municipal resources into two mobile columns for deployment and where needed, provided necessary medical services, and gave the municipality security from sabotage and looting.

I was glad to be able to witness this operation. I also said that someone is taking the trouble to take Krushie and his cohorts seriously. As Reeve Barnall said, "If we have this organization and never use it, we are indeed a fortunate people, but if we don't have it and need it ? ? ? ? ?"

## Rest Room Opened Saturday

The Didsbury Rest Room was officially opened at 4 p.m. last Saturday afternoon. Mrs. H. Richardson, constituency convener for the W.I.'s, cut the ribbon to put the show on the road.

Mr. Ed Ford spoke on behalf of the Lions Club and Mayor H. Lynch Staunton represented the town.

Prior to the official opening, interested parties met in the Lions hall and chose a slate of officers for the coming year. Due to a space shortage the list of officers will not appear in these columns until our next issue.

## KNOX GROUP PLAN BAKE SALE

The Evening Group of Knox Church met at the home of Mrs. Grace Banta, on Monday evening, April 28th, with 24 members and 120 visitors present.

Plans were made for a Mother's Day bake sale to be held at Campbell's store, on Saturday, May 10th. All adherents of the church are asked to contribute.

Next meeting will be held at the home of Mrs. Roy McArthur.

## Plane Crashes West Of Didsbury

A light plane, piloted by Ray Burrows of Calgary, made a wrong landing in the Zella district Tuesday afternoon.

Mr. Art Waldrorf was the first one to spot the accident and was assisted by Mrs. Ronnie Luft and Mrs. Henry Luft in assisting the pilot from the wreckage. Reports have it that the plane is only good for salvage.

Mr. Burrows was taken to the Didsbury hospital by Dr. Bankier, suffering from a chest injury. A report has him in good condition.

## LOTS OF TB PICTURES TAKEN IN THESE PARTS

One of the provincial government's mobile X-ray clinics stopped in our town for three days - was kind of a weekend visit, but while the crew were here they managed to run 1815 town and district residents past their cameras.

Those who were in charge of registration must be given a wee pat on the back; they were Reeta Gillie, Alma Shannon, Joyce Wrigglesworth and a retired nurse.

Mr. Albert Newton, one of the school janitors, should receive a nod of thanks for his extra efforts while the TB crew were in town.

## New By-Law Tough On Dogs

At the regular monthly meeting of the town council, held on Monday night, a new by-law was passed, which includes the fact that all dogs must be confined from April 1st to November 1st, each year; no runs at large will be allowed.

It was also decided to allow W. R.D.C. to fence at the same place as last year.

Building permits were issued to Stan Janzen, residence; Fred Platz, garage and brooder; Bible College, additional college buildings.

The stretch of road from Edford Motors to Dr. Bankier's residence will be dug up and refilled with gravel.

## Mother And Daughter Banquet . . .

Tuesday night, April 29th, was a memorable evening for the 1st Didsbury Brownie Pack and the 1st Didsbury Guide Company, when they held their first "mother and daughter" banquet. Approximately 30 Brownies and Guides, their mothers and mothers, were entertained at a lovely dinner, convened by the local association, assisted by members of the ladies' auxiliary.

A display of the entries to the provincial handicraft competition, included posters and several classes of sewing. Prizes were awarded to several of the girls.

During the evening two new Brownies, Terry Ann Dagerford and Wanda Tuttle, were enrolled by District Commissioner Mrs. B. Ady. Brownie Colleen Cowan was presented with a "Golden Ladder Badge", the first in the Pack.

Mrs. Ady presented one-year stars to the Guides and the leaders who have been with the company a year, and centennial stars in commemoration of Lord Baden-Powell, to those who took part in the projects for the centennial year.

Mrs. Ady was presented with a gift in appreciation for her help and guidance during the year.

## FAST CHANGE ARTIST PICKED UP AT RED DEER

A few of our local merchants were swindled by a fast change artist of Tuesday afternoon. Nobody seems to know how that fast switch was made, but there are a couple of victims still wondering where the other \$10 bill went to.

It was reported to us that the same character worked the same game in Oids earlier in the day.

At press time we hear that the R.C.M.P. had arrested a man in this Deer and he was being returned to Oids in connection with the above manoeuvres. We understand he will be charged with theft.

## Golf Notes . . .

The winner of the ladies' competition last Thursday was Mrs. Betty McMullen. This week's competition will be lowest score for even holes. Next week's competition will be a surprise hole.

## Cougar Goes Down . . .

Shown above is a picture of an over-size cougar that was shot down in the Water Valley area on April 32nd. The big beast weighed 200 lbs., was 6 ft. 4" in length, and stood 30" high. Mr. Joe Laveack and Dave Sigurdson, pictured above, were checking over cattle on the Sir ranch, at a spot where the Greece and Little Red rivers meet. They came across the cougar on a sand bar and, armed only with 32

### A New Baby Is Born . . .

The building and facilities we've been waiting to use for these many months past was officially put into action last Saturday afternoon. The ribbon was cut, the lights went on, and the water started to flow. If you haven't caught up to us yet we're speaking of the Didsbury Rest Room. The project was started by the Lions Club, who were very ably assisted by several other interested groups in this area. 'tis a credit to those who put so much time and effort into the project; 'tis a fine addition to the town of Didsbury; 'tis just something that was needed. All agreed?

### And A Friendly Nod To . . .

. . . the ones behind the door who did all the groundwork for the TB X-ray clinic that was held here for three days last week. The guys and gals did the job for free, there was no entrance fee; the only thing the technicians wanted to know was whether or not you have tulips or butterflies operating in your front end. These people, who more or less invited themselves to our town, now have an inside view of quite a few people around these parts. All we can do now is hope that we're all winners.

### Kinsmen Club Entry . . .

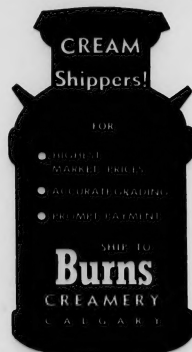

Shown below is a picture of Sharon Ann Brown, one of the top contestants in the Calgary Stampede "Queen" contest. She's a nice young gal; a local lass — you can buy a 25-

cent ticket from any Kinsmen in this area; you will gain 25 votes for Sharon and also have a chance to drive home a new 1958 car. Sounds like a fair deal — both ways!

### Another Famous Quote . . .

"Variety is the spice of life, but monotony provides the groceries." Who wants to live which way? Take your pick!

## LONG-TIME SUBSCRIBERS REPORT . . .

### A. G. Studer Tops The List; H. D. Booker Runs Second

A few weeks ago we asked for a note from long-time subscribers to this great family journal and we were rewarded with some very fine answers. The above heading will tell you who won top honors, but the judge (that's me) can't pass up this opportunity to give honorable mention to the ones who were interested enough to drop us a line and give our readers a wee bit of their past associations with The Pioneer and the Didsbury district.

We hope and trust our associations will continue for many more years.

Dear Editor:  
I see in the Pioneer that you are asking your subscribers how long they have subscribed to your paper. I arrived in Didsbury on April 13th 1901, and lived there until October 27th, 1905, when I moved to Vancouver B. C.

In 1903 the first issue of the Pioneer was printed and I am sure you have a copy in your office. I personally gave it to Mr. Rouleau, the former owner of the Pioneer. You will see an add in it as follows, Liesmer and Studer, and I am the Studer.

I subscribed for the paper in 1905 and have been taking it ever since, a total of 53 years by this year.

The reason I came to Didsbury was on account of my good friend Mr. W. G. Liesmer, who like myself, lived in Morden, Manitoba. After deciding to locate in Didsbury he came back to Morden and saw me on the street and said: "You better come to Didsbury, Alberta." At that time I didn't think I would ever go to Alberta.

However, in April, I decided to go to Didsbury and I might say I am not sorry I made that decision.

Will you kindly describe the rest of the room and where it is located, in your paper. Thank you and Best Wishes to all my friends.

A. G. STUDER

Dear Editor:

As regards your question as to how long I have subscribed to the Didsbury Pioneer, I came up with the paper at that time and have been a constant member of your family. At that time I was single but later on was married to Miss Annie Misteard. My wife was a district school teacher at the time and to this day still teaches in the Didsbury school.

For myself I still ply my trade as a painter and interior decorator.

H. D. BOOKER

Dear Editor:

I noticed a note in your paper asking for information about long-time subscribers. Well, here is my history.

I landed in Didsbury the end of July 1910, from Devonshire, Eng. and was hired and sent out south of Neapolis to help with the haying for the late B. P. A. Dick, and it was through him I started on my own in the Spring of 1911, with an old team of mares and a walking plough. Soon after I subscribed to The Pioneer but don't remember the date.

It has been following me ever since. I spent the summer of 1921 in old Devon. The Pioneer followed me there; I was over there again in 1947, it came there; I was at Nanaimo two years and it came there; and now it comes to me in Calgary, 704 - 7th Ave. N.E.

HENRY HOOPER

Dear Editor:

I received my first issue of The

## WEDDINGS

KAUN - RODNEY

A quiet wedding was solemnized in Redeemer Lutheran Church, Didsbury, on May 3rd, when Grace Mary, daughter of Mrs. M. Rodney and the late Rueben Rodney was united in marriage with Arnold Walter Kaun, youngest son of Mr. and Mrs. K. Kaun of Middle Lake Saskatchewan.

The bride who was given in marriage by her uncle Mr. Wilbur Simmons of Husker, was attended by Maureen Prevost, of Didsbury, as maid of honor. Elmer Miller of Calgary was best man.

Rev E. B. Fox officiated at the marriage ceremony and Walter Tchenlaub, of Calgary, was the organist.

Mr. and Mrs. Kaun. will reside at Hanna Alberta.

## FAMOUS QUOTES . . .

"Did you ever wonder where mothers learn all the things they tell their daughters not to do?"

"Nothing annoys a woman so much as having her friends drop in unexpectedly to find the house looking as it usually does."

Pioneer in 1912 — at that time Mr. Osmond was the editor.

I came direct to Didsbury from Scotland in 1908 and worked with the Alberta Government Telephone Co. until 1915, when I took up the farming game at Westcott. We specialized in Hereford cattle.

At the present time we are living in Didsbury but still take an active part in farm operations.

BOB McFARLANE

Dear Editor:

In a recent paper you were asking about those who had subscribed to The Pioneer for 20 years or more.

We moved to Didsbury in 1921 and have been taking the paper since then. At that time Mr. Osmond was the editor.

## THE Homemaker

By HELEN BOWARD  
District Home Economist

Dear Friends:  
A toast to the mothers and the  
homemakers of the world! Too of-  
ten we become discouraged and for-  
get what a very important job is  
this business of making a home.

Take a bow ladies! No other  
career or profession demands that  
a woman be a nurse, teacher, cook,  
cleaning and laundry women, gar-  
dener, repair man, companion, com-  
forter, co-ordinator, and worker all  
rolled up in one!

Gardening:  
All you ladies with "Green  
thumbs" will be anxious to be in  
your gardens once more. The fol-  
lowing are some bulletins which  
might interest you, available free  
from my office, or from the District  
Agriculture office:

**Alberta Horticultural Guide**  
Containing lists of recommended  
fruits and vegetables suitable for  
growing in each horticultural zone  
of Alberta, up-to-date information  
on disease, pests, garden cultiva-  
tion, trees, and shrubs.

**Vegetable Varieties Suitable  
For Freezing**  
Some varieties of vegetables free-  
ze much more satisfactorily than  
others. If you plan to do freezing,  
you should be wise to plant suit-  
able varieties.

**Control of Garden Pests**  
In Alberta  
Publication No. 130 - descrip-  
tions of pests, what they attack,  
and how to control them.

**Lawn Building and Maintenance**  
The above are published by the  
Alberta Department of Agriculture.  
Other bulletins which might in-  
terest you and which are available  
from the Department of Agricul-  
ture, Ottawa, are:

No. 877. The Gardener's Hand-  
book.  
No. 702. Hotbeds and Cold  
Frames.

No. 795. Planting Farm Home  
No. 959. Planting Farm Home  
Grounds.  
No. 808. Garden Rose Growing.  
No. 996. Flowering Bulbs For  
Canadian Gardens.

No. 796. Annual Flowers For  
Canadian Gardens.  
No. 821. The Strawberry and It's  
Cultivation.  
No. 836. Raspberries and Black-  
berries.

No. 880. Disease and Insect  
Pests of the Raspberry.  
No. 839. Gooseberry Culture.  
No. 833. Currant Culture.

The above are free - just write  
the Department of Agriculture, Ot-  
tawa, giving the name and publi-  
cation number. You do not need  
to send postage.

It's handy to have a fruit or nut  
bread on hand to serve with butter,  
cream, cheese or tart jelly. This  
one is easy to make and is deli-  
cious.

**Three - Fruit Loaf**  
2 cups sifted all-purpose flour  
¾ cup granulated sugar  
3 teaspoons baking powder  
½ teaspoon salt  
¼ cup chopped, drained mara-  
chino cherries  
½ cup chopped nuts  
½ cup currants  
1 tablespoon grated orange rind  
1 cup mashed banana  
2 beaten eggs  
¼ cup melted margarine  
Sift dry ingredients into mixing  
bowl. Add fruit and nuts. Com-  
bine orange rind, mashed banana,  
eggs and melted butter. Add all  
at once to the dry ingredients and  
stir just to blend. Spoon into grea-  
sed 9x5 inch loaf pan. Let stand  
30 minutes. Bake in moderate  
oven, 350 degrees F. for 50 to 60  
minutes or until done. Makes 1  
loaf.

**STILL SEARCHING**  
Although more research work  
throughout the world is being done  
on cancer than on any other  
medical problem, scientists still  
have not discovered the cause of  
the disease.

## Notes From D.A.

By Howard J. Fulcher

Mr. Murray Wilde will be com-  
mencing duties as assistant dis-  
trict agriculturist at the main office  
on May 1, 1958.

Mr. Wilde was born and grew up  
in the Lehighridge district, his farm  
being south of this town. He is a  
graduate of the Olds School of Ag-  
riculture as well as the University  
of Alberta. Murray obtained his  
B.Sc. in Agriculture at the latter in-  
stitution in 1949. Since then Mr.  
Wilde has operated his own farm  
with feeder cattle, grain and spe-  
cialized crop production. He has  
had a lot of valuable experience  
through this and knows all the pro-  
blems farmers are confronted with.

With his practical farming expe-  
rience, together with his academic  
studies Murray has a wealth of  
knowledge which will be available  
to farmers in this area in the com-  
ing year.

Soil testing is a great help to the  
farmer in arriving at the amount  
and kind of fertilizer he should ap-  
ply to his land. It also may be  
very valuable in deciding what crop  
is likely to do best or if legume  
crops are needed in the crop ro-  
tation.

A soil testing laboratory has been  
established at the University of Al-  
berta for this purpose. Here farm-  
ers can obtain chemical analysis of  
their soil and fertilizer recommenda-  
tions without too much delay.

Any one wishing to have their  
soil tested can obtain soil contain-  
ers as well as instructional sheets  
at this office.

## LIGHT YOUR WAY...

... WITH BIBLE STUDY

On April 9th, 1918, a bronze ta-  
blet was unveiled in a hall of justice  
in Pittsburgh. This tablet, as was  
announced before, contained the  
fundamental principles of all right-  
eous laws. When the veil for peo-  
ple looked in astonishment at what  
they saw. The Ten Command-  
ments. The Ten Commandments are  
the foundation of the world's  
laws.

The Law of God was first written  
in man's heart. Through sin, how-  
ever, the Law became blurred.  
Though man still knows by nature  
that certain acts are wrong, as  
murder, robbery, and others, yet he  
does not know by nature that the  
thought of these sins is also wrong.  
So, for the sake of cleanness, God  
gave the Law the second time,  
namely, upon two tables of stone,  
and published it through Moses.

This Law tells me how I am to  
be, what I am to do or not to do.  
And it may be summed up in the  
words: "Ye shall be holy; for I,  
the Lord, your God, am holy." In  
short, these words God tells us how  
we are to keep this Law perfectly.

May we ask you to look at God's  
Law in the confines of your home?  
And as you do, may we further ask  
you to ask yourself the question:  
"How have I been keeping these  
Laws of God?" When you see your  
true picture reflected from the per-  
fect mirror of the Law, then do  
not despair at what you see, but  
rather look to your Savior, Jesus  
Christ. His Son, cleanseth us from  
all sin.

**DISTRICT NEWS****M.V.B.C. NEWS**

(From Our Own Correspondent)

President Taylor and the group who are doing deputization work in Washington, have written that they had a good meeting at Moses Lake and have moved on to Granger for part of this week. They will also be at Harwood the latter part of the week. They attended an apple blossom festival last Saturday.

Mr. and Mrs. Harold Oke and Miss Gladys Eby were dinner guests at the home of Mr. and Mrs. Walter Reimer on Sunday.

Mrs. Taylor, Sherrill and Keith, were guests of Mr. and Mrs. Ken Sherrill and Mr. and Mrs. Lynn Hunsberger over the week-end.

Mrs. Suder entertained at dinner. Mr. and Mrs. Sam Eby, Mr. and Mrs. Ira Stauffer, Mr. and Mrs. Arthur Eby, and their families, for dinner on Sunday. Lois Suder was also home from Calgary for the weekend.

Miss Gladys Eby was the guest speaker at the Mountain View United Missionary Church on Sunday morning. Rev. D. C. Eby is now home from the hospital but unable to take the services.

Work is progressing at the student centre project day by day. Excavation and digging is going on. We expect that very soon the foundation will be laid and the building put up.

Arthur Eby is putting up a great deal of work on the grounds these days. Some new roadways are being made, and hollow places are being built up with the soil from the excavation. This should make a much better lawn than formerly and also afford drainage in bad spots.

On Tuesday evening of this week the United Missionary Church held its Fellowship Supper in the college dining room. This is an annual event and the members are adherents of the church look forward for the occasion. Many important matters of business were discussed, among them the matter of a Fellowship Centre to be built at the church.

Word has been received from Mrs. Marie Kasey that she is getting established in her home once more in Bellingham, Washington. Her mother, who has been very ill in the hospital for some time will be with her. She is quite seriously ill and Mrs. Kasey will have much responsibility in caring for her.

We must remember that Rev. Doctorian will be with us beginning with Thursday, May 15th. Don't fail to hear this great preacher, who is spoken of as the "Billy Graham of the East." He is not so well known as yet, but has been heard in many places in America. We are greatly privileged to have him here. He will continue with us over that weekend only, so plan to be at every service.

**WEST NOTES**

(From Our Own Correspondent)

Among those attending the W.I. Handicraft at Sundre were Mrs. L. Krebs, Mrs. R. McNaughton, Mrs. A. L. Host and Mrs. E. W. Lowrie. Mr. and Mrs. F. Herbert and family were supper guests with Mr. and Mrs. V. Burkholder, west of Cremona, on Sunday.

Mr. and Mrs. Arnold Hogg and sons, visited with Mr. and Mrs. H. Judd of Dog Pound on Sunday.

Mr. and Mrs. C. Berich of Bowden spent the weekend at the Banting home and had their two children christened at the Lutheran church in Didsbury on Sunday.

— o —

**CREMONA NEWS**

(From Our Own Correspondent)

Mrs. B. Gano has two sisters, Mrs. Palmer and Mrs. Calb, visiting with her for two weeks. The ladies came from Sand Point, Idaho.

The mobile T.B. Clinic visited Cremona on April 30th and May 1. Two students from Naramata were guest speakers at the Cremona school last Monday noon.

The pastor from the school met with some of the Cremona folks, and Rev. Magee, for a fellowship luncheon at the home of Mr. and Mrs. A. Reid.

A "career afternoon" was held at the school auditorium on Friday afternoon with six speakers representing various careers. The Home and School Assoc. sponsored a bake sale the same afternoon.

The Cremona W.A. met at the home of Mrs. K. Brian on Thursday afternoon of last week.

Congratulations to Mr. and Mrs. Norman Eby, who celebrated their 25th wedding anniversary on May 1st.

Mrs. V. Burkholder entertained her friends at her home on Friday afternoon, the occasion being her birthday.

Mr. and Mrs. J. Knox, Joanne and Lorne, were weekend visitors with Mr. and Mrs. L. Knox.

Nola Waterstreet and her wee son are visiting here with her folks for a few weeks.

Mr. and Mrs. Earle Sr. returned home last Saturday from a visit to the west coast.

**Mother's Day!**

We send you our greetings,

Mother dear  
From your sons and daughters,  
far and near;  
We hope you'll be happy and  
pleasantly gay  
Upon this, another  
Mother's Day.

Don't think we don't know  
the changes you made,  
So that we could play,  
and be not afraid;  
There's nothing we know  
that can compare,  
With a Mother's love  
and tender care.

We hope this day will  
bring you joy,  
With a visit from your  
little boys;  
They may bring some grand-  
children for you to see;  
They'll all probably want to  
crawl up on your knee.

They'll want to learn  
about your loving ways,  
Like the ones we know  
in the good old days;  
When you gave to us  
your very all,  
So that we might grow up  
to meet them all.

May God bless you mothers,  
every one,  
For all the kind things  
that you have done;  
May you enjoy the  
years ahead,  
That's a special wish  
from a Mother's son!

(Contributed)

**SPRINGSIDE NOTES**

(From Our Own Correspondent)

(Intended For Last Week)  
A number of neighbors and friends gathered at Springside school on Saturday night, where a shower was held for Grace Rodney. Highlight of the evening was a hat show, in which the men fashioned the hats and then modelled them.

The honored couple thanked those present for the lovely gifts they received and extended an invitation to all their friends to visit them at their home in Hanna.

The last meeting of the Springside Ladies' Group was held at the home of Mrs. Clarence Roeth, on May 1st, with seven members and five visitors present. The contest, conducted by Mrs. Art Jackson was won by Mrs. Steeves; hostess prize winner was Mrs. Raymond Fischer.

Mrs. Peterson and Mrs. Roeth were appointed to attend the opening of the Didsbury Rest Room.

Next meeting of the group will be held at the home of Mrs. Peterson.

**MAKES SENSE . . .**

Taxes could be a lot worse. Just suppose we had to pay tax on what we think we're worth!

— o —

**Westcott News**

(From Our Own Correspondent)

Congratulations to the newlyweds, Mr. and Mrs. Jack Meyers, whose wedding took place last Saturday.

Mr. and Mrs. Ken Folkman and family, who have been holidaying here for the past few weeks, returned to their Calgary home, last weekend.

Mrs. Jack Robertson spent the weekend with her son-in-law and daughter, Mr. and Mrs. David Gilchrist in Edmonton.

Mrs. Bernal Reinhart and Mrs. D. Hayball were district representatives at the opening of the Didsbury Rest Room.

— o —

**EARLY DETECTION****MAKES THE DIFFERENCE**

Young people have a greater chance of being saved from cancer in their later life than had earlier generations. The secret is early detection and prompt treatment in regular cancer clinics.

— o —

**CHRISTIAN SCIENCE**

Man's God-given dominion over fear and limitation will be set forth at a Christian Science services Sunday.

Readings in the Leeson-Serman entitled "Adam and Pallen Men" will include the following from (37: 5, 29): "Commit thy way unto the Lord; trust also in him; and he shall bring it to pass . . . The righteous shall inherit the land, and dwell therein for ever."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following:

"Christ presents the indestructible man, whom Spirit creates, his divine Principle, which gives man dominion over all the earth."

The Golden Text is from Galatians (6:3): "If a man think himself to be something, when he is nothing, he deceiveth himself."

**Little Items of Local Interest**

George Goosen, a member of the R.C.N., is spending a month's leave with his parents here, following a three-month training cruise in the Orient.

Mr. Jerry Post left last week for Ottawa, where he will join the ranks of the Royal Canadian Mounted Police.

Mr. and Mrs. Don Shannon and family have taken up residence in the house formerly occupied by Mr. and Mrs. J. Catliffe.

Mr. and Mrs. J. Kosowan and family have moved to the A. W. Reiber residence, west of town.

Miss Rita Barker, Miss Neale Andrell, Miss Gladys Highson and Miss Maureen Conway, of the local hospital staff, left last week for a six-week vacation in Mexico.

**MISS SWALM TO  
PRESENT ANNUAL RECITAL**

The piano pupils of Miss Helen Swalm will be giving their annual recital in the Evangelical Church, Saturday evening at 8 p.m. Everyone welcome.

**WELL KNOWN EVANGELIST  
TO SPEAK HERE**

Rev. Samuel Doerflinger, widely known as the Billy Graham of the Middle-East, a great evangelist of our day, and in great demand, will be the guest speaker in the tabernacle on the campus of Mountain View Bible College, Didsbury, May 15th at 10 a.m., a special youth service; 2:30 and 8 p.m.; and then on Sunday, May 18th at 11 a.m.; 2:30 and 7:30 p.m.

There will also be good singing under the leadership of Mr. Lyle Smith. Special numbers in song will be featured in all the services.

**Harmattan News**

(From Our Own Correspondent)

The Harmattan Hall Club held its meeting at the home of Dr. MacNeil of Olds, with Mrs. Clara Armstrong as hostess, on Wednesday, April 30th. Main topic of business was plans for a home demonstration and strawberry tea to be held at the hall at the end of May. Plans were also made for the next dance, and to encourage people to arrive earlier it was decided that a flower will be presented to the first 10 ladies that are dancing by 11 p.m.

Sympathy is extended to the Stockburger family on the death of Mr. Stockburger Sr.

Mr. and Mrs. Alex Ross are patients in the Olds hospital, both suffering from flu.

Mrs. Mason, who has been a hospital patient for several months has been moved to the Lindsay home at Sundre.

**Coming Events**

—Girls' Clubs Achievement Day will be held at Lone Pine hall on Saturday, May 17th. Program will be held at 1:30 p.m. Tea will be served following the program. Everyone cordially invited.

—Eric Rutledge, optometrist, assistant to K. Roy McLean announces the date of his next visit as Monday, May 12th, morning only, at the Rosebud hotel. Consults in city office, 1014 Greyhound Bldg., Calgary.

—The May meeting of the Didsbury Carstairs 4-H Club will be held at the home of Mr. W. C. Spier in Carstairs on Friday, May 9th.

—The local W.C.T.U. meeting will be held at the home of Mrs. Don Weber on Thursday, May 8. Those wishing conveyance are asked to contact Mrs. Arthur Eby.

—Fresh cut flowers from the west coast, for Mother's Day, at Bercht's this weekend.

—A Mother's Day Bake Sale, sponsored by the United Church W.A. Evening Group, will be held in Campbell's Store from 2 to 5 p.m. on Saturday, May 10th.

—There will be a dance at Mountain View hall on Friday, May 23; Fisher's orchestra.

—The regular monthly meeting of Mous Chapter, I.O.E., will be held Thursday, May 8th, in the Lions hall at 8:15 p.m.

—Saturday, June 21st is the date chosen for the annual Strawberry Tea, sponsored by St. Cyprian's Anglican church.

## Home & School Hold Last Meeting

The Didsbury Home and School will hold its last meeting for the present school term on Monday, May 12th in the High School Auditorium beginning at 8 p.m. The election of officers for the next year will be held.

The program will feature a question and answer period. The Chairman has received a number of very interesting questions pertaining to school work. A panel of teachers will answer these questions.

Mrs. E. Wiggins, representative of the local Home and School at the recent annual convention of the Alberta Home & School, held May 7 to 9 at the University of Alberta, will also give her report on this convention.

This meeting promises to be a high-light, and therefore we urge all Home and School members to attend. And of course, others interested are most welcome.
